Please complete the following portrait list. We'll give our best effort to follow all guidelines but cannot guarantee every shot due to timing, weather, availability of all parties, lateness of participants, etc. Please notify all parties involved in your portrait session of the time & location of this session. Proper scheduling of this session is critical since you do not want to miss any part of your day or have a rushed look to your portraits. Your photographer will contact you to discuss any questions or concerns. Thank you.
